We Need STAMPS

For our caregiver letters, thank you notes, client letters, and more . . .

We always welcome a visit or you can send stamps to our office. Thank you for everything you do for Pine Tree Hospice & our communities!

January's Bereavement Facilitator Training was a success!

With a group of new facilitators, Pine Tree Hospice will be able to offer 6-week Grief Support Groups soon.

Keep an eye out for announcements for a group starting in Greenville over the next few months as we finalize our planning.

We are offering the only in person Grief Support Groups in the area.

A Local Caregiver Group Begins in February

Note: Group will be canceled if Brewer schools are canceled.
