

# Pine Tree Hospice Volunteer Bulletin

March 2023

## Announcing Volunteer Coordinator Laurie Muzzy!

Most of you will recognize Laurie as she has been a volunteer with Pine Tree Hospice since 2021. Laurie is a Foxcroft Academy graduate and long time resident of Greenville. Laurie has worked as a teacher, business owner, and currently manages volunteers at the Greenville Thrift Shop. Laurie will be combining her current knowledge of PTH, passion in our mission, and experience in coordinating volunteers to her new role and we could not be more happy to have her join our team!

Laurie's primary roles will include volunteer recruitment and training, retention (appreciation), and records management (continuing education credit, indirect reports, etc.).

Hello!

Let me begin with how excited I am to introduce myself as Pine Tree Hospice's Volunteer Coordinator.

As I work to recruit and train new volunteers to this important service, I see myself having the wonderful benefit of learning from each of you.

It is with great anticipation that I look forward to supporting each of you, as together we serve our communities.

Laurie

Cheryl is not going anywhere. Her new title is Client and Family Services Coordinator. Cheryl will remain responsible for all aspects of the Direct Care program, processing referrals, home visits, introduction visits, and check-ins with clients, families, and Direct Care Volunteers.

## Grief Support Group in Greenville!

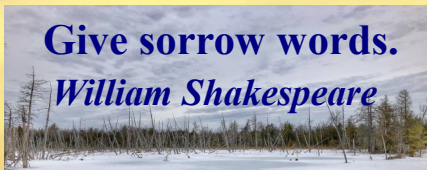

Pine Tree Hospice will be offering a 6-week Grief Support Group in Greenville. The group will be meeting each Tuesday from 1:00-2:00pm beginning March 21 and running through until April 25.

Be sure to let your clients, caregivers and community know about this group. Please direct those interested to call the Pine Tree Hospice office at 802.8078 or email [director@pinetreehospice.org](mailto:director@pinetreehospice.org)

Pine Tree Hospice would like to thank all of the volunteers that attended our last Bereavement Facilitator class. Because of you we are able to offer this much needed programming to the communities we serve.

Pine Tree Hospice is the only organization offering these groups in our area, and there is such a need for them.

Give sorrow words.
