NEWS AND EVENTS

Volunteer Training Begins May 16

Spring 2022 Volunteer Training will be both in person and on ZOOM. We need volunteers!

Last fiscal year, we had the highest client numbers we have ever experienced. We're asking our volunteers, who know how much our services mean to people in our community, to reach out to everyone you know, and tell them what Pine Tree Hospice means to you.

The CORE training will be done in four sessions from May 16 to May 23.

DIRECT training will be done in three sessions from June 1 to June 8.

Caregivers need us! Clients need us, people who are bereaved and experiencing grief need our programs.

MARK YOUR CALENDARS!!

Purpleville in Greenville

During Alzheimer's and Brain Awareness Month the town of Greenville temporarily transforms into "Purpleville" to fight Alzheimer's and dementia. The natural beauty and offerings of Piscataquis County and the Moosehead Lake region are the perfect place to make memories. Purpleville is a commitment to saving the memories we all make here.

In Greenville, this fundraising celebration lasts from June 24 to July 2. There are so many events scheduled you won't want to miss them!

On Sunday, June 26th, join the PTH Walk Team!!! Contact us and we can all walk together!

Proceeds to benefit Pine Tree Hospice and Jackson Laboratory's Alzheimer's Research.

Our 2nd Annual Bottle Drive begins June 1st

The bottle drive will take place at the Dover-Foxcroft Redemption Center.

Every time you bring in bottles and cans, your name will be entered in our raffle for a great gift card! Help us make this a success—let all your friends and family know!
