

A Rob Reiner film with
Morgan Freeman and Jack Nicholson

The Bucket List

The Bucket List

Jack Nicholson and Morgan Freeman are two terminally ill cancer patients who decide to break out of the hospital and live their last days to the fullest. Edward Cole (Nicholson) is a corporate billionaire who is currently sharing a hospital room with blue-collar mechanic Carter Chambers (Freeman). Initially the pair seems to have nothing in common, but conversation gradually reveals that both men have a long list of goals they wish to accomplish before they kick the bucket, and an unrealized desire to discover what kind of men they really are.

“You get the performances you expect from these two great stars.”
